A fine example of a large semi-detached, late Victorian family home, located in Prince Edwards Road, one of the premier roads in Lewes. The property has spacious accommodation over three floors - totalling over 3000sq ft - and has been in the ownership of the same family for many years. The house retains many original features throughout including floorboards, ornate plaster work and picture rails. The house will benefit from modernisation and possibly some remodelling depending on the requirements of the new owners. This offers a great opportunity to put your own stamp on a spacious, Wallands family home.

Overall the property is very well balanced having three reception rooms, 6 bedrooms, a south-facing mature rear garden, off-road parking and a single garage.

The accommodation currently consists of a welcoming hallway with stairs ascending to the first floor. There are two main reception rooms coming off the hallway as well as access to the large cellar. To the rear you will find the kitchen and dining room as well as utility space, WC, downstairs wet room and a sunroom overlooking the sunny rear garden. The cellar has four separate rooms and would make an ideal workshop / wine cellar, or even a movie room. It has power and light and also contains the gas boiler.

The first floor half landing gives you a bathroom (with WC) in addition to a separate WC. The main landing services three double bedrooms and a single cot room / office (which could possibly be converted into an en-suite). The rear bedrooms afford fantastic rooftop views over Lewes Castle and the South Downs beyond.

The second floor offers two more double bedrooms - one currently divided into a 'dark room' bedroom and storage. Again the rear bedroom benefits from lovely, far-reaching views.

Outside there is a pretty front garden with a path leading up to the original porch. You will also find access to the garage and a minimum of three off-road parking spaces. The rear garden is well stocked and mature with planted borders and lawn area, as well as a terraced area and garden paths. The garden has a southerly orientation offering sun for most of the day.

The property sits in a prime situation on Prince Edwards Road, a premier road in one of Lewes' most sought after areas. This spacious family home is conveniently located to reach all that Lewes has to offer, and is under a mile from Lewes mainline station.
