A superbly located, 2 bedroom, top (2nd) floor apartment in a quiet location moments from historic and pedestrianised Cliffe High Street. This Share of Freehold property has the rare benefit of an allocated off-road parking space and far reaching views over rooftops, the wharf buildings along the river Ouse, and the South Downs.

The Grade II listed apartment forms part of a beautiful 19th century 'Maltings' barn, originally designed to make malt from barley for brewing beer. Developed in circa 1994 the property benefits from a light and airy 23ft dual aspect living room which makes the most of the views and is a real hub of this unique apartment. The room features exposed beams and an extensive eaves storage cupboard, and leads onto the kitchen. The kitchen comprises a stone-grey coloured wall and base units, an electric oven, hob and grill, space and plumbing for washing machine and further space for appliances. A conservation roof window gives views over the townscape with glimpses of Lewes Castle.

Both bedrooms have exposed beams to one wall and a conservation roof window giving views over the townscape towards St Thomas Church to the South Downs beyond. Completing the accommodation is the bathroom which comprises a WC, wash hand basin, bath with shower over, tiled surrounds and a conservation roof window.

To the outside the property is located in a gated development which has been landscaped with mature trees, a seating area for residents and bike store. It also offers parking for residents as well as their visitors. In our opinion there is an air of exclusivity to this private, gated development and viewing is recommended.

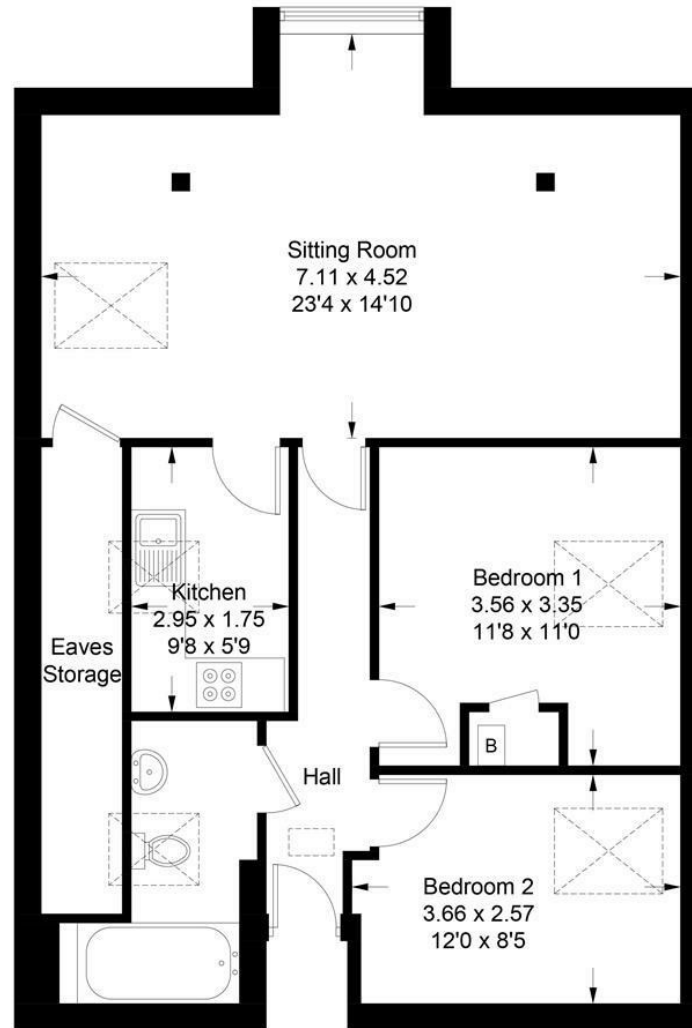

Agents notes: Annual service charge of £1030.80. Additional contribution to a reserve fund of £400 annually. 999 year lease dated 25th March 1994. GCH. Offered with vacant possession with no onward chain.
