This charming property is arranged over 2 floors with the potential for a loft conversion (subject to the relevant planning permission) and whilst some modernisation could be desired, this well cared for and much loved home is the perfect opportunity for new owners to put your stamp on. With generous bedrooms and a large bathroom, it would also be possible to reconfigure the 1st floor to achieve a third bedroom if needed.

The front door opens to the entrance lobby with stairs ascending to the first floor and door to the sitting room. This room enjoys a view of the beautifully planted front garden through it's large bay window. You then proceed to the kitchen/breakfast room which offers an integrated double oven, electric hob, under counter fridge and dishwasher. Adjoining the kitchen is a useful utility area with space and plumbing for a washing machine and tumble dryer. There is also a separate WC. A UPVC back door from the breakfast area gives access to the rear garden. The first floor has 2 double bedrooms and a large family bathroom with separate bath and shower.

Externally, this home is enhanced by a fabulous rear garden complete with paved patio area, tiered lawn and planted areas, two storage sheds and a wealth of mature shrubs and plants. Both front and back gardens have been maintained with great care. The back garden can also be accessed through a shared covered passageway.

Viewing is highly recommended to fully appreciate the potential of this property and all it has to offer.
