What the owner says:

"I absolutely loved living here. It was my first home purchase and the perfect place to start my journey as a homeowner. As a purpose-built property, it is incredibly quiet, creating a peaceful and relaxing environment. One of the things I loved most was the abundance of natural light. The spacious, airy rooms and large windows throughout the property keep it bright and welcoming all day long. The south-facing balcony is a wonderful sun trap and the perfect spot to unwind and enjoy some peace and quiet. The location at Park Crescent is excellent. I made the most of having everything within easy reach: the train station is just a 12-minute walk away, while the park, town centre, and seafront are all close by."
