What the owner says:

"Moving to a new city and buying my first home felt a little daunting at first. But from day one, I've felt completely safe and settled here. The community has been wonderful—our street even has a friendly WhatsApp group that's made it easy to connect with neighbours.

The location couldn't be better: all main bus routes in and around Brighton and Hove, are less than a minute's walk away, the Lanes are under a 15-minute walk, and Brighton beach is under 25 minute walk.

Some of my favourite things about the house are the garden—which is a beautiful and peaceful sun trap backing onto St Martin's Church behind, and the newly renovated master bedroom and bathroom has become my sanctuary. I couldn't have asked for a more perfect first home."
