*What the owner says:*

*"I've lived in this flat for the past six years and I'm friends with the two people who lived here before me. We've all found it to be a peaceful sanctuary in a friendly neighbourhood. The flat itself is both cozy and spacious, with the perfect little kitchen and bathroom, and the bay windows which brings so much light and air into the place. The expansive 180 sea view is just dreamy, as is waking up to big skies every day. Bills are low because the flat is kept warm by flats above and below, and the south facing windows which catch the sun all day long. The Kemptown area is a great balance, having a quiet village-y feel, but being easy walking distance to the bustle of central Brighton. It's also right on the beach but with easy access to the green. Craven woods just up the hill will take you all the way to the racecourse and the Downs beyond. I do hope the next owners will be as happy here as I've been."*
