What the owner says:

"A wonderful 36 years has been very much enjoyed living in this chalet bungalow. The rooms are spacious and light and there is good storage. The property is in a quiet location and from the rear garden there are distant rural views where horses from the local stables are often seen on the hillside. There are rural walks nearby. The property is close to the local Primary School and a short walk to the bus stops. The bus calls at Churchill Square which is in the heart of Brighton's shopping centre. The sea front, pier and main line train station are also just an easy ride away."
