What the owner says:

"We have really loved living in our flat for the last 12 years. It has been our perfect first home and we will miss the open plan living, our friendly neighbours and how warm it is in the winter. The location is great and we regularly enjoy walking to the North Laine for brunch and down to the beach on sunny days. We have also made the most of the balcony while here, but would like a garden which is why we are now looking to move."
