What the owner says:

"We moved into this house as first time buyers 10 years ago and have put a lot of love into it over the years, rewiring, updating the deck, doing up the kitchen and bathroom, underfloor heating and lots more. The house is bright and full of light with great views over Brighton and the sea, and the south facing garden and deck has been wonderful for sundowners throughout spring and summer. The location has been perfect for us, with a homely neighbourly feel, but still walkable to central Brighton and the seafront. It has been a fantastic family home for us and we have loved living here with our toddler, and we feel sad to be leaving."

Total area: approx. 83.0 sq. metres (893.9 sq. feet)
