What the owner says:

"This has been my family home with my husband for over 50 years. My husband grew beautiful dahlias and flowers in the garden and we loved sitting in the garden in the sunshine. We have many happy memories of social gatherings with our friends and neighbours. After my husband died our neighbours were very supportive, caring and helpful allowing me to stay in my home for as long as possible. Sadly I have now had to give up my home and move into a care home. This has been a very happy home for myself and my husband. Our house would be a lovely home for a young family."
