What the owner says:

"This is so much more than just a perfectly located property. The Crescent folk are very sociable with busy social media channels to promote Garden events and a quarterly newsletter to keep you informed as to what the groundsmen and Garden Committee have planned. The calendar is filled with inclusive events such as the Easter Egg hunt, a Mid summer night's feast, the bonfire & fireworks display and Christmas Carols. There's even an annual festival that marks the end of summer. The walled Garden makes this the ideal place for raising kids and children can be found running between houses and across the many lawns. Need that proverbial "cup of sugar"? Not to worry, a message on the Garden Whatsapp can usually save a trip to the (very local) shops! There are other two bed flats on the market, but if you want to be part of a very special community in the heart of the most vibrant and welcoming city in the country then this could be the home for you :)"
