What the owner says:

"We have lived in this house for over 18 years and have loved our time here. We were drawn by the large bedrooms for the kids. They have been great for our growing teenagers, allowing them their independence. We have had the space for 5 adults in the house for years. It's a quiet neighbourhood and we have a double driveway making parking so convenient. We are now looking to downsize but will find it difficult to find other properties that compare to what we have here. We have maintained and developed the house over the years so hopefully the only thing you will need to do is make it to your own taste."
