What the owner says:

"I've loved living in this flat for almost 14 years. The location has been ideal for me as a young person, with everything I've needed just a short walk away and frequent buses into town running throughout the day and late into the night. Creating a second bedroom by dividing the lounge has been perfect for hosting friends and family and has made the space surprisingly versatile. One of my favourite parts of living here has been the garden; I've really enjoyed filling it with flowers and having a sunny spot to sit and read in the summer. I'll be sad to move away from this part of Brighton, as it has been such a convenient and well-connected place to call home."
