What the owner says:

"This has been my home for 18yrs, I moved down from London and wanted somewhere with easy access to main travel routes, the sea, a town but also quiet and able to park outside my house rather than searching for spaces after finishing my shift work.

2 miles walk to the seafront, 1/2 mile to the Sussex downs and a 10 min car / bus journey to Brighton city centre - the perfect location.

It's so peaceful and I find nothing more relaxing than the afternoon sun in the back garden watching the birds feeding and bathing, also have a local hedgehog that tends to wander in regularly !

I have always felt safe whatever time I return from work and it's a lovely community. A mixture of young professional couples, couples with children and those of us in our 40's /50's.

I had visions that this was my forever home, a side and back extension and making it a large family home but life got in the way, things happen and priorities change. I will really miss living in my peaceful haven but now looking to downsize."
