WHAT THE OWNER SAYS:

"We absolutely loved living in this flat as it was our first home together, we have had a fantastic 10 years. The rooms are bright, airy and spacious and because it is over 2 floors you always have the impression you live in a house. The neighbours and the people living in the street are very friendly and the street has this positive, bohemian community feel. Having no car is not an issue at all because buses are just round the corner to take you into town and the beach is just a 10 minute walk. We might be biased but we think first time buyers will love this place, like we did when we bought the property all these years ago."
