*What the owner says:*

*"This was our first home and we have loved living here for the last 5 years. The flat is lovely and light all day. The south facing garden is a sun trap and it's a great space for entertaining. It's a vibrant area, with the town and beach only a short walk away. We have loved our time here, it is the perfect first home but sadly we have outgrown the space since our little boy arrived."*
