What the owner says:

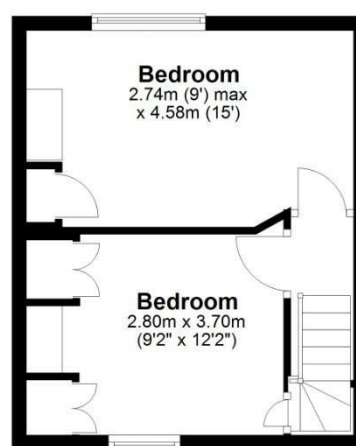

"I've loved living at Stanley Street for more than 20 years. It's a really friendly community where neighbours look out for each other, which made it feel like home from the very beginning. The location is fantastic too — just a 15-minute walk to the seafront and the main shopping centre, with Queens Park only five minutes round the corner and The Level about a ten-minute stroll downhill. There are plenty of lovely corner pubs and independent local shops nearby, which give the area a real sense of character. It's also ideally located for families, with well-regarded junior schools such as St Luke's and Elm Grove close by. Many happy memories!"
