The property is approached via a small enclosed front garden, creating a clear sense of separation from the pavement and a practical entrance to the home.

Internally, the living room sits to the front with a large window drawing in plenty of natural light, creating a bright and comfortable space with room for a full seating arrangement. The décor is clean and current, giving it a modern feel that will appeal to those looking for something ready to move into. It connects through to the kitchen, which has been updated with a contemporary pastel colour palette, offering a fresh and on-trend finish. There is a good run of worktop space, fitted units, room for appliances, and space for a small dining table, making it a functional everyday hub.

To the first floor, there are well-proportioned bedrooms. The main bedroom is a generous double and benefits from a walk-in wardrobe, adding useful storage and a feature that sets it apart. The second bedroom is flexible and would suit a guest room, home office or single bedroom depending on requirements.

The bathroom is fitted with a white suite including bath with shower over, basin and WC, presented in a straightforward and easy-to-maintain finish.

Externally, the rear garden is enclosed and low maintenance, with a mix of lawn and hardstanding along with a defined seating area, ideal for relaxing or entertaining. Allocated parking is also included, adding to the overall practicality of the home.
