## The Property

Entering the practical reception/boot room, a further door leads to the brilliantly designed kitchen, which offers superb storage, a seating area, a range of fitted appliances, and access to most of the home's rooms. The layout has been carefully considered to maximise space and functionality. The kitchen also boasts a host of fitted appliances and excellent counter top workspace.

The living/dining room is beautifully presented, featuring a wood-burning stove installed by the current owners as both a focal point and an efficient heating solution. Large windows on two elevations provide plenty of natural light, while double doors offer direct access to the front of the property. The spacious room comfortably accommodates a modern two-piece suite and a full dining table with chairs.

This property has three bedrooms, with the primary bedroom offering ample space for freestanding furniture. Bedrooms two and three feature fitted wardrobes, with the third bedroom currently used as a dressing room. There are two double bedrooms and a single, providing flexible living options.

Completing the home is a well-designed wet room, 'future-proofed' for convenience, featuring a WC, wash hand basin, shower area, tiled surround, and a useful double linen store.

Externally, the lawned garden is complemented by mature shrubs and flower beds, leading to the front entrance via several steps. However, there is ample space to install a ramp if required after completion. To the southwest elevation, a 4m x 2.4m summer house provides a peaceful retreat with open views over farmland. Adjacent to this is a small working area behind the home, ideal for potting plants and housing the oil tank. Additionally, there is a 4.45m x 2.3m work/store building with two sets of double doors, offering excellent storage or workshop space.

Ample parking is available, and both the summer house and work/store building are included in the sale at the full asking price.
