The Property

A welcoming and large hallway provides access to the beautifully presented living room, dining kitchen, utility room, and garage. The living room features a large window to the front elevation, flooding the space with natural light. The dining kitchen offers ample space for entertaining and is currently used by the vendors as a living kitchen, making it a true hub of the home.

On the first floor, you'll find four double bedrooms, including a primary bedroom and second bedrooms with an en-suite shower room. The family bathroom is accessed via the landing and comprises a panel bath with shower, WC, and wash hand basin, all finished with a tiled surround.

Externally, the gardens have been thoughtfully designed with several seating areas to enjoy the west-facing aspect of the rear garden. There is also a lawn garden, established flowering beds, and herbaceous borders. Throughout the property, the vendors have added personal touches including an outside entertainment area with a bar (currently unstocked) and additional seating areas — perfect for socialising and relaxing.
