Exceptionally Spacious Family Home in Sought-After Borrowby Village. This spacious and versatile family home offers superb living space, excellent gardens, and beautiful open views — a rare opportunity not to be missed.

The Property

Set in the very popular village of Borrowby, this exceptionally spacious family home offering flexible accommodation, large bedrooms, very pleasant gardens, ample off-road parking, and a garage, viewings are highly recommended.

Upon entry, the large reception hall leads to the living room, kitchen, cloakroom, and the staircase to the first-floor accommodation. The living room benefits from excellent natural light thanks to a large window to the front elevation and, being open plan with the dining room, creates a versatile space perfect for family life and entertaining.

The fitted kitchen offers an excellent storage solution with a wide range of base and wall units, generous countertop space, and a host of integrated appliances. Completing the ground floor is a cleverly designed cloakroom.

On the first floor, the landing provides access to all four bedrooms. Each bedroom is well-proportioned, with the principal bedroom enjoying the advantage of an en-suite shower room. The house bathroom currently features a step-in shower cubicle, WC, and a wash hand basin set on a vanity unit with storage. (Originally, there was a bath installed, which could easily be reinstated if desired.) We are also informed that the loft area provides very useful additional storage.

Externally, the property boasts real kerb appeal, with a mature front garden featuring a variety of herbaceous beds and flowering borders. A driveway leads to the garage (6.15m x 3m) and also offers sheltered parking. To the rear, the lawned garden provides a very pleasant space to enjoy, with the previous owners thoughtfully landscaping the grounds to offer a year-round display of plants, shrubs, and flowers. With several specimen small trees and open fields beyond the rear boundary, this home is perfect for families or keen gardeners alike.
