Centrally located, this well-presented home offers a spacious breakfast kitchen, dining area, bright living room with garden access, two bedrooms, and a private courtyard. With no onward chain, it's ideal for buyers seeking convenience and low-maintenance living.

The Property

Entry to the home is through the large breakfast kitchen, fitted with a modern range of units offering excellent storage solutions. The kitchen includes a selection of integrated appliances and generous countertop space, making it both practical and well-suited for everyday cooking. Adjacent to the kitchen is the dining area, which flows into the living room. This bright and inviting space benefits from double patio doors opening onto a private courtyard garden — a feature that may surprise many, given the central location — and is further enhanced by a large Velux window that brings in additional natural light.

Completing the ground floor is the staircase leading to the first floor. The landing provides access to two double bedrooms and the bathroom. The main bedroom, positioned to the front elevation, is a particularly spacious double, while the second bedroom is located to the rear. The bathroom is fitted with a panelled bath and shower over, WC, and wash hand basin set on a pedestal.
