Price Guide £349,500

Located just a short walk from the town centre, this impressive family home offers spacious living accommodation alongside exceptionally large gardens. With scope to further enhance or develop the property (subject to planning), this is a rare opportunity that deserves serious consideration.

The Property

The property opens into a large reception hall with elevated ceilings, immediately reflecting the scale and character found throughout. A central hallway provides access to the principal ground floor rooms, including a spacious sitting room with a large front-facing window and high ceilings, creating a bright and welcoming environment. Adjacent is the lounge, which enjoys views across the impressive rear gardens—an ideal setting for family meals and entertaining.

The kitchen is well-appointed with a range of fitted base and wall units, ample worktop space, and room for a dining table and chairs, making it a practical and sociable space for daily use. A rear hall leads to a utility room and cloakroom, adding further convenience to the layout.

The stairwell benefits from a circular side window and an additional window at the top, allowing natural light to fill the space. A stairlift is currently installed, offering accessibility if required.

First Floor Upstairs, the property offers three well-proportioned bedrooms—two generous doubles and a good-sized single. The main bedrooms feature large windows that enhance the sense of space and light. The family bathroom comprises a three-piece suite including a panelled bath with shower over, WC, and pedestal wash basin, complemented by a contemporary tiled surround.

External Features The front garden is accessed via double half-height wrought iron gates leading to a spacious driveway. A manageable lawn and pathway lead to the front door, bordered by mature hedging that provides privacy.

To the rear, the garden is a standout feature—thoughtfully arranged into distinct areas for relaxation, play, and cultivation. A large patio seating area leads to a lawned garden with flowering and herbaceous borders. Beyond this lies a decorative pond, further planting beds, and a dedicated area for fruit and vegetable growing, complete with greenhouse and mature grapevine.

This is a rare opportunity to acquire a versatile and well-located family home with significant outdoor space and future potential.
