## The Property

The property is accessed via a welcoming reception hall, setting the tone for the generous and well-balanced accommodation throughout. This central space provides access to the majority of the home and immediately highlights the sense of space and light that continues throughout.

The living room is an impressive, light-filled space, with a large west-facing window and south-facing patio doors that invite natural light throughout the day. The focal point is a charming open fireplace with decorative surround, creating a warm and inviting atmosphere perfect for relaxing or entertaining.

Adjoining the living room is a spacious dining room, ideal for family gatherings or formal entertaining. Its size and position lend themselves perfectly to reconfiguration—with minimal alterations, this space could be transformed into a fourth bedroom, home office, or multi-purpose room, depending on the needs of the new owner.

The kitchen is well-appointed with a comprehensive range of base and wall units, extensive countertop space, and integrated storage, providing both function and flexibility for everyday use. This leads directly into a boot room/utility area, equipped with additional units, a sink, and plumbing for laundry appliances—ideal for countryside living.

A central hallway from the dining room leads to two generously sized double bedrooms and a well-proportioned family bathroom. A third bedroom or study is positioned off the main hall, offering further flexibility for guests, work-from-home needs, or hobbies.

Externally, the home truly excels. It boasts a detached double garage, a separate workshop, and two additional outbuildings, offering an exceptional level of storage, workspace, or potential conversion (subject to any necessary permissions). A set of four stables adds to the appeal for equestrian buyers or those seeking outdoor infrastructure rarely found in one offering.

The land wraps around the property, providing a high degree of privacy and a sense of open space. It is ideally suited for grazing paddocks, formal gardens, or even a smallholding, making this a truly versatile and exciting countryside retreat.

Please note that there is also a secondary access to the fields from the main road.

We have been informed that the adjoining field measures approximately 1.231 hectares (3 acres), while the main residence is set on approximately 0.117 hectares (0.29 acres). Please note that we are unaware of any existing water supply to the land.
