The Property

On entry, a generous reception hall provides access to the living room, cloakroom and staircase to the first floor. There are also two useful storage cupboards. The living room is open plan with the dining area, and oak flooring runs throughout, giving a consistent, spacious feel. Large windows to both the front and rear allow plenty of natural light, while the room easily accommodates a full suite and dining table.

The kitchen offers excellent storage through fitted base and wall units, good worktop space and a range of integrated appliances. A door opens to the rear garden, and a further internal door leads to a separate utility and pantry — a rare and practical feature in a home of this size.

Upstairs, the landing leads to three bedrooms and the bathroom, with two built-in cupboards providing additional storage. The two main bedrooms are both doubles with fitted wardrobes, while the third is a well-sized single. The bathroom includes a panelled bath with shower over, WC and wash basin, finished with tiled surrounds.

Externally, the property has low-maintenance gardens to both front and rear. The south-facing rear garden includes an extended stone-flagged seating area, artificial lawn and secure fenced boundaries.
