## Local Area

The town of Hatfield easily provides all of life's little necessities - from a wide range of well-known supermarkets, independent shops and high street retailers - to doctors' surgeries, dental practice and post-office. The welcoming Red Lion Pub is just a short stroll from the development and provides some great dining.

But there's far more to Hatfield than its many modern amenities. Old Hatfield was left untouched by any post-war development and still remains a place full of old-world charm and character. The nearby Hatfield House is a magnificent Jacobean mansion with stunning ornamental gardens and splendid grounds. Offering extensive tours of the house and gardens, and has many attractions including a restaurant and café and regular annual community events.

If you'd rather enjoy some intense retail therapy, The Galleria Designer Outlet is only a short distance away (approx. 1.7 miles) and has a massive variety of big-name brands and independent stores - as well as a huge selection of restaurants, cafes and the Odeon Cinema. Hatfield Train Station is only a few minutes walk

from the proposed development and provides direct services to central London, reaching Finsbury Park Station in approximately 16 minutes and Kings Cross in 22 minutes. There are also regular trains to Welwyn Garden City; Stevenage and Cambridge. Directly outside Highclare House has a bus stop offering a regular service to Welwyn Garden City providing easy access to Waitrose and John Lewis.
