Summary

Bath Gate Place, built by McCarthy & Stone, has been designed and constructed for modern independent retirement living. The development consists of 34 retirement apartments for the over 60s. The apartments boast Sky/Sky+ connection points in living room, fitted wardrobes in main bedroom and security door entry systems. The dedicated House Manager is on site during their working hours to take care of the running of the development.

There's no need to worry about the burden of maintenance costs as the service charge covers the cost of all external maintenance, gardening and landscaping, external window cleaning, buildings insurance, water rates and security systems. All energy and cleaning costs of the homeowners lounge and other communal areas are also covered in the service charge.

For your peace of mind the development has camera door entry and 24-hour emergency call systems, should you require assistance.
