William Grange offers everything you need to enjoy an active and independent retirement, designed, built and managed by market leaders ~McCarthy Stone ~ the only house builder to win the Home Builders Federation 5-star award for customer service every year since the awards began in 2005.

William Grange has a stunning homeowners' lounge opens which opens out to a beautiful landscaped garden, providing the perfect space to sit back, relax and enjoy your retirement with friends, old and new. If you have visiting friends or relatives who would like to stay the night, instead of the hassle of making up a spare bed you can book them into the development's guest suite, which has en suite facilities. They will find it's like staying in a hotel, while all you need to worry about is making the most of their company. We also understand the companionship that a pet can bring, so if you're used to having a pet around you're welcome to bring them too (we advise

speaking with the Development Manager to confirm what pets are permitted).

You can relax knowing there's a dedicated House Manager on hand during the day – a friendly face who will be around during office hours to provide help and support. The House Manager don't just take care of the practicalities of running William Grange. Included in their role is to help organise social activities, which our homeowners are free to get involved in if they wish.
