### Local Area

Pocklington is a thriving market town nestled at the foot of the picturesque Yorkshire Wolds, offering beautiful green spaces perfect for walking, cycling, wildlife spotting and picnics. Historically, it was once the second-largest settlement in Yorkshire after York and is proudly recorded in the Domesday Book. Today, the town blends rich heritage with a vibrant cultural scene and excellent local amenities.

The skyline is dominated by the impressive 15th-century Church of All Saints, renowned for its striking architecture and tranquil

gardens. Just a short walk away, Burnby Hall Gardens and Museum offers serene parkland and is home to the National Collection of Hardy Water Lilies. Nature lovers can also explore Millington Wood or enjoy peaceful waterside walks along the Pocklington Canal, voted one of Britain's top 10 spots for seeing natural aquatic life.

For arts and entertainment, Pocklington Arts Centre hosts an eclectic programme of film, theatre, music, workshops and exhibitions. The town also boasts a lively events calendar, including Pocktoberfest (its popular annual beer festival) and the quirky Flying Man Festival, celebrating Thomas Pelling's daring 18th-century attempt to fly from a church tower.

Ideally located in the heart of the town, this McCarthy & Stone development places everything within easy reach, including Sainsbury's and Aldi supermarkets, independent shops, cafés, pubs and restaurants, all just a short stroll away.

### Entrance Hall

The front door with spy hole opens into a spacious entrance hall with the 24-hour Tunstall emergency response system. Off the hall is a generous walk-in storage/airing cupboard housing the Ventaxia unit, plus a washer-dryer and water softener. The hall also features illuminated light switches, a smoke detector, and the security door-entry system with intercom and emergency pull cord. Doors lead through to the lounge, bedroom and shower room.

### Lounge

A bright, dual-aspect lounge with ample space for dining features French doors opening onto a private patio area. An electric fire with hearth and mantle creates an attractive focal point. The room also includes a TV satellite connection to the communal dish, raised power sockets, fitted carpets, two ceiling lights and a wall-mounted electric heater.

The development has now moved to digital phone lines, so there is no traditional landline. If a resident doesn't have broadband, BT can supply a router that connects to the communal Wi-Fi, allowing calls to be made and received at no extra cost.
