HARBOUR LIGHTS, NORTH QUAY, WEYMOUTH

SUMMARY

Constructed in late 2015 by award-winning retirement developer McCarthy Stone, Harbour Lights Court is sympathetically designed to blend perfectly into the harbourside architecture of North Quay .

The working harbour and its moorings provides constant activity and interest and is also the location for many exciting events throughout the year. Harbour Lights Court is conveniently located within around half a mile easy walk of the main retail centre and just a little further to the Esplanade and Weymouth's famous three mile long sandy beach. Nearer to the development an Asda superstore is less than 5 minutes walking distance and there are a number of pubs and restaurants close by.

This is a 'Retirement Living' development providing an independent living opportunity for those over 60 years of age with the peace-of-mind provided by the day-to-day support of our House Manager who oversees the smooth running of the development. All apartments are equipped with a 24-hour emergency call facility and sophisticated intercom system providing both a visual and verbal link to the main development entrance. There is also the excellent guest suite widely used by visiting family and friends for which a small charge per night applies.

It's so easy to make new friends and to lead a busy and fulfilled life at Harbour Lights Court with a variety of regular activities to choose from. Whilst there is something for everyone there is certainly no obligation to participate and home owners 'dip in and out' of activities as they wish.

Harbour Lights Court enjoys excellent communal

facilities including a fantastic homeowners lounge and a beautiful landscaped garden that proves a popular place for home owners to gather in the warmer weather to while-away the hours, and socialise over a glass of wine or two! In addition, there is a laundry room, scooter store and onsite parking available by annual permit for which there is a charge of around £250 and for which there may be a waiting list.

ENTRANCE HALLWAY

Entered via a solid oak-veneered entrance door with spy-hole. Security intercom system that provides both a visual (via the home-owners TV) and verbal link to the main development entrance door. Emergency pull cord, walk-in store/airing cupboard with light, shelving, Gledhill boiler supplying hot water and the 'Vent Axia' heat exchange unit. Feature glazed panelled door to Living Room.

LIVING ROOM

A spacious room with a Georgian style window and a door leading to an external terrace and access to street level. Two feature ceiling lights. TV aerial and BT telephone points and raised level plug sockets for ease of use. Glazed, panelled door leads to kitchen.
