DUTTON COURT, STATION APPROACH,

SUMMARY

Dutton Court was built by McCarthy & Stone and designed specifically for assisted retirement living for the over 70's.

The development consists of 68 one and two-bedroom retirement apartments with design features to make day-to-day living easier. This includes beautifully equipped kitchens with waist height ovens to minimise bending, walk-in showers for ease of use, simple lever taps and slip resistant flooring.

As well as the privacy of your own apartment, there's the opportunity to lead a full and active social life. You can call into the homeowners' lounge whenever you feel like company, and it's a lovely place to meet up with friends or join in the many activities organised by homeowners and the Estate Management team. The lounge is also the perfect space to invite friends and family over for a special celebration.

Open every day, our table service restaurant serves tasty and nutritious lunches for our homeowners and their friends and family, at a very reasonable price. All the food is freshly prepared and we can cater for special dietary requirements. For a special occasion or celebration, you're also welcome to book our function room and there is a computer available to use here.

Dutton Court also benefits from landscaped gardens and a guest suite for visitors who wish to stay (additional charges apply). For peace of mind, there is an Estate Manager on site and 24-hour emergency call system provided via a personal pendant alarm and with call points in all rooms.

LOCAL AREA

Dutton Court is located in Cheadle Hulme and ideally situated on Station Approach, off Station Road, close to the heart of the vibrant village centre. There is a good selection of both traditional and modern shopping facilities and you can also enjoy dining out or meeting family and friends in one of the many cafes and restaurants on Station Road. Getting around couldn't be easier, there are both west and eastbound bus stops close to the development and Cheadle Hulme rail station is also conveniently located at the bottom of Station Approach, providing regular regional services together with connecting

routes to the national rail network via Manchester Piccadilly and Stockport stations.
