The subject dwelling benefits from an unrivalled plot, offering dedicated access to an expansive driveway with parking provision for multiple vehicles, hard landscaped garden area, herbaceous planting and shrubbery to borders, in all offering good levels of privacy. Driveway leads down the side to a single garage with up and over access door.

To the rear of the property a patio terrace extends from the immediate building footprint, with an expansive laid to lawn grass section, boasting a South facing aspect, abutting woodland and private views to the rear. A number of sheds also feature to the rear garden, with external tap and light points also.

Given the plot privacy and established setting comes recommended for further inspection, with some likely modest cosmetic upgrading to be undertaken internally.
