£375,000

A superb position for this detached and deceptively spacious bungalow. On a slightly elevated plot overlooking open fields at the front this home is great for those wanting space on one level, it's also large enough to be a family home too. Upgraded in recent years with a modern kitchen and bathroom, then you have a gorgeous garden with a summer house at the rear.

The central hall leads through to the lounge diner, kitchen with utility just off, a family bathroom and study which leads to the conservatory. There is then a door to separate hall for the bedrooms for privacy where we have three double bedrooms with a jack an jill en suite between the main two bedrooms. The property has been maintained extremely well throughout and can be moved straight into with no work, there is also no chain.

Outside, the driveway can take multiple cars and gives access to the garage. Then there is gated access to the rear garden that is beautiful, secure and has various seating areas.
