

28 High Street, Gainsborough, DN21 4LX

£550,000

One of the most unique and beautiful homes we've represented. Fronting on to the High Street in Kirton in Lindsey, this Grade II listed home stretches back away from the marketplace and at the back feels very private and secluded with private garden. The house itself is circa 3,765sq.ft and totals four/five bedrooms, three bathroom and five reception rooms. You also have a gym, triple garage and workshop too.

The property can be access at the front on foot through a private gated entrance or at the back via electric gates to the sweeping drive that leads to the triple garage. It's an impressive view coming from the back towards the house, completely private with various seating areas and an outdoor kitchen. The gym sits in a converted outbuilding and has its own shower room.

As you enter the house via the side door, you head straight into the kitchen with its centre island. The utility is just off with access to the cellar (currently used as a utility) and you can then go either to the front or the rear of the house with reception rooms in both directions and two staircase lead to the upstairs at either end too. All the rooms have character, quirks and bold decor, various fireplaces and wood burners throughout the house are functional and you have space in abundance.

Viewings are an absolute must and are by appointment. Please contact us to book.
