£625,000

One of Kirton Lindseys' most unique and substantial homes. The Priory was built between 1791-4 as a House of Correction and is steeped in history. Virtually all that remains today is what was the prison governor's house and has been converted into a substantial family home. With approximately 6000sq.ft of space arranged across the main house and the one/two bedroom annexe this home has endless potential.

On the first floor are four bedrooms, a family bathroom and a further en suite shower room. The annexe is connected via a door from the dining room and has its own kitchen, living room, dining room, study, master bedroom with en suite shower room, two further bedrooms and a bathroom. This annexe has had planning permission in the past to be used as a separate dwelling. Outside is a detached double garage, a small garage/storage outbuilding and gardens on three sides.
