Situated in the delightful rural location of Ullenhall, this light and deceptively spacious detached family home has been well maintained by the current owners and offers excellent scope for any new owner to put their own "stamp" on. Arranged over two floors, the accommodation briefly comprises; four good-sized bedrooms, two bathrooms (including en-suite shower room to the main bedroom), one large reception room (plus study), dining kitchen, utility room, and downstairs WC. Externally, the property benefits from a substantial South-West facing garden, together with two garages (one integral and one detached) and ample driveway parking to the front.

Ullenhall is an idyllic village that boasts a thriving pub ("The Winged Spur"), active village hall, fine parish church, tennis club, and adjoining recreational fields. It lies within easy access of the A435, which, in turn, provides fast links to the M5, M40 and M42 motorways. In addition, the village is located approximately 2 miles to the West of the popular and picturesque former market town of Henley-in-Arden, with its wide range of shopping and recreational facilities, and further amenities to include; dentist, medical centre, primary and secondary schools, and railway station ("Henley-in-Arden"), which offers regular trains to Birmingham City Centre and Stratford-upon-Avon.

This property is set well back from the road behind a lawned foregarden, with hedging to the front and timber fencing to either side.
