The bringing to the market of The Saddlers provides an exceptionally rare opportunity to acquire a highly attractive Grade II listed mid-Victorian dwelling house with fine features throughout, together with a part timber framed Grade II listed barn and a building plot, where permission has just been granted for a large 4-bedroomed detached house (Planning Ref: 25/00397/FUL).

The main dwelling house offers considerable potential to renovate, improve and bring up to 2025 standards. In addition, the barn - which is listed by Historic England (Listing Ref: 1382174) and was reputedly once owned by Richard Shakespeare, with strong claims to be the birthplace of William Shakespeare's father and uncle - may offer exciting prospects for conversion, subject to the necessary planning consents. Moreover, the building plot provides an opportunity to construct a spacious and modern family home, with a new means of access off Park Lane.

The property lies on the Northern edge of the lovely village of Snitterfield, which has its own general store, post office, children's nursery, prosperous junior school and public house ("The Snitterfield Arms"). It is located just 4 miles from Stratford-upon-Avon, offering extensive cultural, leisure and shopping facilities, and is only an 8-minute drive from Junction 15 of the M40, providing easy access to the wider motorway network as well as to the county town of Warwick.
