This exceptional detached residence offers beautifully presented accommodation, finished to an outstanding standard throughout. Deceptively spacious and thoughtfully designed, the property is filled with natural light, and the layout seamlessly balances formal reception space with relaxed everyday living. The flexible configuration provides up to five bedrooms, ideal for family life, guest accommodation or home office use.

Occupying an impressive plot of nearly half an acre, the property enjoys extensive South-facing gardens featuring a sizeable patio, perfectly suited to outdoor entertaining, together with a generous lawned area and an attractive feature pond. To the front, the home is approached via electric gates, ensuring privacy and security, which lead to an ample driveway.

Tanworth-in-Arden is a charming village with an active local community and provides such facilities as The Bell (pub and restaurant), highly regarded primary school with nursery, 13th Century parish church, village hall, and golf and tennis clubs. It is well placed for easy access to the M40 and M42 motorways, which, in turn, give links to the M1, M5 and M6, enabling efficient travel to Birmingham, Coventry and London. The nearest railway stations ("Danzey" and "Wood End") offer regular trains to Stratford-upon-Avon, Henley-in-Arden and Birmingham City Centre. In addition, the NEC and Birmingham International Airport are within a half an hour's drive.

This property is set well back from the road behind an electric sliding gate, which is framed by curved brick walls and bound to the front with post-and-rail fencing and mature laurel trees. The large, stoned driveway provides parking for multiple vehicles and is bound on both sides with timber fencing. A pathway leads to the oversized front door, with matching double glazed side panels, which opens into:

Outside

Accessed directly from the dining area, sitting room and bedroom one, the generous paved patio provides space for outdoor entertaining. Enclosed by dwarf walls and exterior lighting, there is a seating area with metal staircase (with glazed panels) that leads to a raised, paved terrace.

The patio opens into an outdoor kitchen area, complete with a pizza oven, barbecue and outdoor fireplace with chimney. A side passageway leads to a timber gate that provides access to the front of the property. Beneath the raised terrace, there is a useful storage area, while additional features include an outdoor tap and integrated floor lighting.

Steps descend from the patio to the lawned rear garden, which is bound on two sides with mature hedging and shrubs as well as well-stocked beds housing mature plants, shrubs and trees.

At the end of the garden, there is a large pond with a small island that is planted with trees, all secured by a post-and-rail fence and five-bar gate. The pond benefits from an aeration system that is discreetly positioned behind a timber shed. The shed itself has a pair of glazed doors, an electricity supply, a small porch and a gravelled seating area to the front with additional exterior lighting.
