***Of interest to both developers and those purchasers seeking a traditional property with outbuildings and land.***

***This property will be offered for sale by public auction (subject to prior sale, reserve and conditions) at 6:30pm on Tuesday 17th June 2025 at The View, Hill Farm Marina, Stratford Road, Wootton Wawen, Warwickshire, B95 6DE (///glance.dance.rival).***

**Introduction**  
Newlands Farm comes onto the open market for the first time in many years, it gives potential purchasers an increasingly rare opportunity to acquire not only two residential properties, but also a range of traditional and more modern farm buildings, together with some pasture land, to either explore the development opportunities that such buildings offer, or indeed retain them as a small holding.

Located just 4.5 miles north of Coventry city centre, with Birmingham only some 17 miles to the west, Solihull is within easy driving distance, as is the M6 motorway (J3), the M42, Birmingham International Airport, Railway Station and when opened, HS2 travel hub. There are fast trains from both Birmingham International and Coventry railway stations to London Euston.

The property lies to the east of the West Midlands conurbation, with excellent transport links north, south, east and west, yet set in a very pastoral landscape.

Local schools lie close by, whilst the villages of Corley, Corley Moor, Fillongley and Astley, with footpaths and bridleways running over the undulating countryside.
