### Introduction

This intriguing parcel of old established, mixed orcharding lies on the immediate outskirts of the historic Vale of Evesham town, in an elevated position, having excellent wide, double access, directly off the A44 Chadbury by-pass.

The land, which rises to the south-east, is currently old established, mixed orcharding, including, Victoria and Golden Egg Plums, together with Laxton Apples. The trees would benefit from some judicious pruning in order to bring them back into full production set in the heart of the famous 'Vale of Evesham'. The land offers potential purchasers great scope for a wide variety of alternative uses, such as 'glamping', recreational pursuits, wildlife haven or other development (STPP if required).

Freehold orchards rarely come onto the open market in the Vale of Evesham, and thus, the auctioneers commend early inspection to appreciate all this land has to offer.
