New to the market and one of the most intriguing and unique properties we have had the pleasure to introduce.

A compact and desirable property, registered as a small holding but with no agricultural tie, Sherwood Acre is quietly tucked away in the Warwickshire countryside but still only minutes from Bidford and Alcester, together with being equidistant to three local schools; Bidford, Dunnington and Temple Grafton.

Situated on approximately 0.78 acres of land, and approached over a long driveway and hidden from the road, the premises offer a fascinating opportunity for a local work/life balance, with a large dwelling house and separate annexe for home/gym/studio. The property also features garaging and outbuildings, providing plenty of storage space for all your needs.
