Seymour, 27 North Trade Road, Battle, TN33 0HS
Offers In Excess Of £350,000 Freehold

Conveniently positioned within a well-established part of Battle, just a short walk from the historic High Street, highly regarded schooling including Claverham Community College, the mainline station, nearby recreation grounds and the famous Battle Abbey, this semi-detached three bedroom bungalow offers an exciting opportunity for buyers seeking a home with genuine scope to improve, reconfigure and add value in a highly sought-after location. Surrounded by the charm of this historic market town, with plentiful countryside walks nearby, the property enjoys an enviable balance of convenience and lifestyle appeal.

While the property would now benefit from updating and modernisation, it presents tremendous potential given its generous plot, versatile layout, off road parking, attached garage and excellent proximity to the town's amenities and transport links.

Lovingly owned for many years, the property has clearly been cherished and now provides an ideal canvas for personalisation and future enhancement. The accommodation is arranged across one easy level, featuring a generous sitting and dining room opening onto a mature, south-facing garden — a private and peaceful setting that lends itself perfectly to outdoor living and future landscaping ideas.

The kitchen and adjoining utility room provide practical everyday spaces, while the three bedrooms offer flexibility for guests, family or hobbies. Subject to any necessary consents, there may also be excellent potential to reconfigure or adapt the layout to better suit modern living requirements. The recently retiled roof adds reassurance and longevity to the home's structure.

Outside, the gardens are a real feature — thoughtfully planted, generous in size and well cared for, with apple trees and plenty of space for green-fingered pursuits. The large driveway and attached garage further enhance the practicality, completing the picture of a home with considerable promise in one of Battle's most desirable settings.
