Locality

Situated in the heart of Camber close to the famous sand dunes and accessible to the range of daily amenities afforded by the village.

The stunning coastline forms part of the Rye Bay which is also home to miles of open shingle beach which extend from a nature reserve at Rye Harbour to cliffs at Fairlight. The village has become a haven for water sports enthusiasts although there are many other activities available locally including places of general and historic interest.

The ancient Cinque Port town of Rye is only a short drive away with its bustling High Street where there is an array of specialist and general retail stores which are complemented by historic inns and restaurants as well as contemporary wine bars and eateries. There is also the famous cobbled citadel, working quayside, weekly farmers' and general markets. The railway station in Rye allows easy access to the city of Brighton in the west and to Ashford where there are connecting high speed services to London.
