Agents note

None of the services or appliances mentioned in these sale particulars have been tested. It should also be noted that measurements quoted are given for guidance only and are approximate and should not be relied upon for any other purpose.

Energy Efficiency Rating		Environmental Impact (CO ₂) Rating	
Current	Potential	Current	Potential
69	86	64	81

Energy Efficiency Rating
 A scale from A (most energy efficient - lower running costs) to G (not energy efficient - higher running costs). The current rating is 69 (D) and the potential is 86 (B+).

Environmental Impact (CO₂) Rating
 A scale from A (most environmentally friendly - lower CO₂ emissions) to G (not environmentally friendly - higher CO₂ emissions). The current rating is 64 (D) and the potential is 81 (B).

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
