A rare opportunity to acquire this impressive and unique three bedroom duplex apartment with larger than average garage forming part of this magnificent period property ideally situated in the peaceful and tranquil setting of the highly sought after and leafy location of Meads. The property is accessed from its own private entrance and offers bright and spacious accommodation throughout comprising three double bedrooms with the master bedroom further benefiting from an en-suite shower room, living room with stunning vaulted ceiling built by the Duke of Devonshire as a billiard room providing an ideal entertaining space, large kitchen/diner, family bathroom and two separate WC's. Other internal benefits include gas central heating and unique period features. Externally, the property is approached by a dual entrance horseshoe drive, originally used for horse and carriage, that leads to the beautiful extensive and mature communal gardens.
