## Poplar Cottage Holly Lane, Styal, Wilmslow, SK9 4JL

**£495,000**

Nestled in the heart of the picturesque village of Styal, Poplar Cottage is a charming and beautifully renovated period home dating back to the 17th century. This exceptional two-bedroom cottage effortlessly blends character features with modern living, offering stylish, well-balanced accommodation in a truly sought-after setting.

The property opens into a welcoming entrance vestibule with practical space for coats and shoes. This leads through to a spacious & inviting sitting room. This room is full of period charm, featuring an exposed timber ceiling beam and a striking multi-fuel stove set into a stone hearth with a solid wood mantle – an ideal setting for cosy evenings.

To the rear of the cottage, the heart of the home is undoubtedly the stunning open-plan living kitchen. Designed with entertaining in mind, this expansive space offers areas for cooking, dining and relaxing beneath a large, glazed roof lantern that fills the room with natural light. French doors open onto the garden, creating a seamless indoor-outdoor flow. The kitchen itself has been thoughtfully refitted with stylish shaker-style 'Wren' units, deep pan drawers, and oak butchers block worktops. A full range of integrated appliances includes an electric oven, combination oven, halogen hob, extractor, fridge freezer, and dishwasher. A separate utility room/w.c. adds further convenience, fitted with a butler-style sink, storage units, and space for a washing machine.

Upstairs, the first floor is equally well appointed. The main bedroom is generous in size with a deep recessed storage cupboard and access to the loft, and it benefits from an en-suite shower room. The second bedroom is also a double and benefits from a recessed storage/boiler cupboard and features its own cleverly designed en-suite bathroom, complete with half wood-panelled walls, white sanitary ware, a thermostatically controlled shower over the bath, glass screen, and ladder-style radiator.
