WHAT THREE WORDS: modern.remote.events

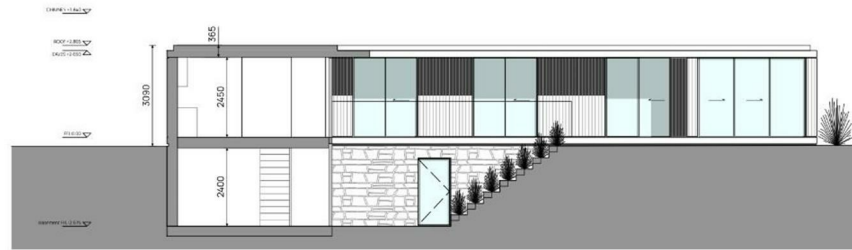

The intricacies of the final internal layout will no doubt be tweaked to the needs of the lucky purchaser, but is currently designed with 4 bedrooms, 3 bathrooms and a wonderful open plan living/ dining/ kitchen space on the upper level, whilst the lower floor remains a complete blank canvass with scope to create addition reception space, bedrooms, media rooms, gym space or even a swimming pool!

Externally the design includes a sweeping driveway with excellent off road parking provision to the front of the property, whilst to the rear, set within the L-shaped design is the private garden where you'll be able to create your dream outdoor space.

Location

Bramhall, which adjoins Woodford, is an attractive, leafy and affluent village with a population of around 25,500, situated 11 miles to the south of Manchester. A suburb that has emerged on a 'rich list' as 4th most expensive in house prices around Greater Manchester. Bramhall has a strong village community spirit (voted 'least lonely' and the 'friendliest' place to live in Britain), playing host to a Summer Festival, Light Up Bramhall winter festival and numerous community-centred events. Bramhall plays host to many restaurants, bars and coffee shops. Restaurants are joined by drink and dine venues to create a vibrant nightlife for a modest village. At the more relaxed end of the spectrum lie quality coffee shops.
