Development

Natural slate roofs, detailed brickwork and stone sills will all echo local architectural heritage, while offering all the benefits of modern convenience and energy efficiency. Built on the site of a well-known former hotel, Deanwater will retain and repurpose some of its original structure and outbuildings, housing two beautiful semi-detached homes and one bespoke detached property. The remaining nine detached and semi-detached homes will all be new builds, blending traditional design with contemporary elegance. These homes – all thoughtfully arranged for space, privacy and natural light – will be set within exquisitely landscaped surroundings that reflect the tranquility and rural character of this unique location.
