The Property

Set on a quiet residential street, moments away from the hustle and bustle of Clifton Village with the broad range of popular amenities, this spacious apartment occupies the first floor of this attractive period terrace.

The living space benefits from a large bay window which takes full advantage of the southerly aspect making the generously proportioned room beautifully bright.

Adjacent, the kitchen occupies a separate room with a modern fitted kitchen with a range of wall and base units, solid wooden work tops, electric hob, extractor over, tiled splashbacks and stainless steel sink. In addition, there is also room for a freestanding breakfast bar which provides a convenient dining space.

At the rear of the building there are 2 good sized generous bedrooms, both with large sash windows and with pleasant views over the neighbouring properties.

Unusually, there are 2 bathrooms with a shower cubicle in one and a bath in the other along with low level WC and basin as well as a dedicated storage / utility cupboard.

Location

Clifton Village is one of the most unique and sought after locations in the City. From its very early days as a Spa destination to the later Georgian and Victorian influences Clifton offers charm at every turn from the fine sweep of Royal York Crescent to the grandeur of Victoria Square. At its heart lies the picturesque "Village" offering an eclectic range of independent shops, boutiques, cafes, bars and restaurants including Cote, The Ivy and the Avon Gorge Hotel. The Downs offers four hundred acres of green public space whilst Brunel's Clifton Suspension Bridge provides a gateway to the Ashton Court Estate with its woodlands, mountain bike trails and walks whilst there is excellent access to the exciting Harbourside district, the City Centre and Temple Meads.
