#### The Property

Number 5 is an imposing detached Freehold Victorian Villa occupying an elevated position with fine views over Durham downs to the front aspect and over much of Bristol towards Bath and Dundry at the rear.

This voluminous property is on the market for the first time in 30 years having been the subject of an exhaustive, yet sensitive, renovation by the current owners to create a classically stylish yet functional family home with all the proportions and period detailing expected of a Victorian property such as high ceilings with fine cornice detail, fireplaces and a standout bronze sculpture at the base of the mahogany railed staircase. These sit alongside the inherent benefits of a modernised home with double glazed hardwood sash windows, a modern heating system and a "brand name" kitchen.

To the front of the property is a walled and gated parking and turning area for 4 + cars with side access to the enclosed landscaped rear garden which has a detached garden pavilion. The recently constructed modernist sky deck in this garden connects the kitchen to the outside space for alfresco dining and stands above a workshop and wine cellar built in below. The accommodation is arranged principally over two floors (with an additional attic bedroom) whilst the lower ground floor is arranged as a generous 2 / 3 bedroom flat but has scope to be simply reinstated into the main home if desired.

#### Location

Clifton and the surrounding areas, with its Victorian and Georgian architecture, are amongst the most sought after locations in the City. The area offers charm alongside excellent amenities with independent shops, boutiques, cafes, bars and restaurants to be found on both Whiteladies Road and Clifton Village including Clifton Down shopping Centre. The Downs offers four hundred acres of green public space whilst Brunel's Clifton Suspension Bridge provides a gateway to the Ashton Court Estate with its woodlands, mountain bike trails and walks whilst there is excellent access to the exciting Harbourside district, the City Centre and Temple Meads. Clifton College and the Sports Centre are both within walking distance whilst Durham Downs is just a few yards away over the pelican crossing.
